

MEMPHIS LIGHT, GAS AND WATER DIVISION WATER ENGINEERING AND OPERATIONS DEPARTMENT CROSS CONNECTION SECTION

Dear Tester:

As part of our on going effort to protect our potable water system, MLGW's Cross Connection Program will not accept any test reports unless the submitting Certified Backflow Assembly Tester has attended one (1) of the free, mandatory information meetings offered by MLGW for the 2016 calendar year.

These meetings will inform you of new and updated information relative to the Memphis and Shelby County Cross Connection Control Program. This forum is provided to assist in forging better working relationships between you and MLGW and between you and your customers. The information shared is vital to the success of our Cross Connection Program.

These mandatory meetings will be held at the MLGW Joyce M. Blackmon Training Center located at 4949 Raleigh LaGrange (Memphis, TN 38128), Room 156. The meetings are scheduled for 2 hours each and you only have to attend one (1). The schedule of meetings that **count toward the 2016 calendar year** is listed below. Cancellation due to inclement weather will be determined by the closure of the Memphis City Schools system.

IMPORTANT NOTE: <u>Failure to sign-up for and attend one of the sessions will result in suspension from testing on MLGW's water system.</u>

Please complete the registration form on the back of this sheet and return to our office no later than the date listed as Registration Closes for the meeting you want to attend. The date/time for each session is scheduled as follows:

	Class Date	Session 1	Session 2	Session 3	Registration Closes	
Friday	February 12, 2016	7:00 AM	10:00 AM	1:00 PM	February 10, 2016	
Friday	February 19, 2016	7:00 AM	10:00 AM	1:00 PM	February 17, 2016
