

BACKFLOW ASSEMBLIES REPAIR CLASS SCHEDULE

Classes are scheduled per interest

The registration fee for each class session is \$50 and must be submitted prior to class date.

To register, please call Cross Connection at (901) 528-7757. All classes are held at the Cross Connection Training Lab at the Mallory Pumping Station which is located at 488 N. Dunlap (corner of Dunlap and N. Parkway). The entrance to the Lab is off N. Parkway.

****** Please note that per Code Enforcement plumbing permits are required to be pulled for repairs on back-flow prevention assemblies.******
