## Additional Payment Locations

MLGW pay agents now include CVS Pharmacy, Dollar General® and Family Dollar®.

MLGW utility bills now have unique barcodes printed on the bottom and back of the bill. The barcodes are a new payment option called VanillaDirect Pay™, which allows customers to pay their bill at any CVS Pharmacy, Dollar General® and Family Dollar® location in Shelby County. The sales clerk will scan the barcode on the bill and then the customer can make a payment to their MLGW account. A transaction fee of \$1.50 will be assessed. MLGW does not receive any revenue from fees charged. Like other authorized pay agents, payments made at CVS Pharmacy, Dollar General® and Family Dollar® locations are typically posted on the customer's account within an hour.

For additional information about VanillaDirect Pay, go to [VanillaDirect.com/Pay](http://VanillaDirect.com/Pay). VanillaDirect Pay™ is provided by InComm Financial Services, Inc. which is licensed as a Money Transmitter by the New York State Department of Financial Services. All authorized MLGW pay agent locations can be found at [mlgwagents.com](http://mlgwagents.com).
