

Share the Pennies

SMALL CHANGE, BIG DIFFERENCE.

What is Share the Pennies?

Share the Pennies is a program that rounds your monthly utility bill to the next highest dollar amount. The difference is donated to a fund for Project CARE sponsored by MIFA and MLGW.

What is Project CARE?

Project CARE is an energy-efficiency program designed to help elderly and disabled individuals with minor weatherization repairs to their homes. Qualified Project CARE recipients receive up to \$1,500 for repairs including replacing broken windows, fixing gas or water leaks, replacing AC condensers or furnaces and upgrading attic insulation. These energy-efficiency repairs also support MLGW's sustainability efforts.

How it works:

If your utility bill is \$113.80, it will be rounded up to \$114 and a 20-cent donation will be made to the Project CARE fund. The donation amount will appear as a line item on your monthly MLGW billing statement. The maximum donation per month is only 99 cents and the maximum donation per year is only \$11.88. Donations are tax deductible.

Ways to sign up for Share the Pennies:

- Visit mlgw.com/sharethepennies (you can also make one-time donations online)
- Call 901-528-4887
- Mail in a completed enrollment form (see below)

Sign up now. Small change makes a big difference!

Yes – I would like to enroll in the **Share the Pennies** program to make a difference in Memphis and Shelby County.

Name: _____ MLGW Account # (Optional): _____

Address: _____

City: _____ State: _____ Zip: _____

Phone Number: _____ E-Mail Address: _____

Source (Internal Use Only): _____

* For your convenience, in the event you move and transfer your utility services, we will also transfer your Share the Pennies enrollment with your MLGW account.
