

Right of Entry and Release

For Lead Service Line Replacement Program

Owner Name: _____

Property Address: _____

I affirm that I am the lawful owner ("Owner") of the Property listed above, and hereby grant Memphis Light Gas and Water and its contractors, agents and employees (collectively, "MLGW"), the right to enter and access my Property, so that MLGW can perform and complete lead service line replacement work on the Property, at no cost to me. I understand and agree to these terms:

1. I understand that the only work eligible as part of this program is the replacement of the private lead or galvanized water service line from the meter to within 2 feet of the foundation. No plumbing work in the residence is eligible for replacement. Under this program, any private lead or galvanized water service lines will be replaced with a new water service line and exterior shut off valve.
2. I will permit temporary access and right of entry of the Property to MLGW to perform the replacement work, which will include exploratory excavation, inspection, construction, replacement of the private outdoor lead or galvanized water service line up to and including the shut-off valve, and post-construction monitoring of the new private water service line. I understand that the existing water service line may remain underground but will no longer be used as a service line.
3. I understand that someone must be present while the replacement work is being performed, to provide MLGW with access to the area where my water service line enters the home up the meter.
4. I authorize MLGW to take photographs or video of the Property in the area of the water service line before or after installation.
5. All work will be warrantied for 1 year after construction completion. It is MLGW's policy and standard contract provision to require MLGW Contractor's to restore the Property to its preconstruction condition.

IN CONSIDERATION OF AND AS A CONDITION TO THE PERFORMANCE OF LEAD SERVICE LINE REPLACEMENT, YOU, THE UNDERSIGNED, AGREE TO HEREBY HOLD HARMLESS, RELEASE, AND FOREVER DISCHARGE MLGW, ITS EMPLOYEES AND AGENTS, FROM ALL CLAIMS, CAUSES OF ACTION, DAMAGES, LOSSES, PENALTIES, OR OTHER INJURIES THAT ARISE IN CONNECTION WITH THE PERFORMANCE OF THE REPLACEMENT OF LEAD OR GALVANIZED SERVICE LINES LOCATED ON THE PROPERTY.

By my signature below, I understand and agree to these terms and wish to participate in the Private Water Service Line Replacement Program.
