

***Get your prescription for home energy savings today!***

The Energy Doctor features an inspection of your home to detect areas of inefficient energy use. A customized report will be mailed to you that details the energy usage and corresponding recommendations for improvement.

To request this free survey, call Energy Services at 901-528-4188. An MLGW Energy Technician will contact you for an appointment with The Energy Doctor.

Then, follow the Doctor's orders for energy savings.

***No time to see the Doctor?***

Log on to our website at [mlgw.com](http://mlgw.com), and view various online energy analysis tools or complete the Home eValuation survey.
