

**MEMPHIS LIGHT, GAS AND WATER DIVISION
CITY OF MEMPHIS**

GAS SERVICE

**SCHEDULE G-13
LARGE INDUSTRIAL SPECIAL SALES SERVICE**

AVAILABILITY

This rate schedule is available for gas sales service to all Customers holding a current contract with the Division for transport service under Rate Schedule FT.

CONTRACT REQUIREMENT

Customers taking service under this rate schedule shall be required to execute a written contract based on the Customers full requirements for natural gas service that specifies a Daily Contract Demand for a specified initial period of no less than two (2) years. For purposes of this rate schedule, a Daily Contract Demand means the maximum quantity of service that the Division will render during a day.

MONTHLY RATE

A negotiated rate using a mutually agreeable natural gas price as provided by contract.

MAXIMUM DAILY DEMAND

The Maximum Daily Demand shall be the Daily Contract Demand defined by contract.

MINIMUM BILL

As specified by contract.

PAYMENT

The above rates are net, the gross rates being 5% higher. In the event the current monthly bill is not paid on or before the delinquent date shown on the bill, the gross rates shall apply.

DELIVERY POINT

Service under this rate schedule shall be delivered to a mutually agreeable interconnection between the Division facilities and the facilities of the pipeline(s) delivering gas to the Division.

EMERGENCY CONDITIONS

In the event of a system emergency, the Division may curtail deliveries under this Rate Schedule.

RULES AND REGULATIONS

Service is subject to the Rules and Regulations of the Division.
